My Hair Was Coming Out

"About a year ago my bair was coming out very fast. I bought a bottle of Ayer's Heir Vigor to stop this. It not only stopped the falling, but also made my hair grow very rapidly. until now it is 45 inches in length and very thick." - Mrs. A. Boydston, Atchison, Kans., July 25, 1899.

It Feeds the Hair

Have you ever thought why your hair is falling out? It is because you are starving your hair. If this starvation continues your hair will continue to fall.

There is one good hair food. It is Ayer's Hair Vigor. It goes right to the roots of the hair and gives them just the food that they need. The hair stops falling, becomes healthy, and grows thick and long.

Ayer's Hair Vigor will do another thing, also: it always restores color to faded or gray \$1.00 s bettle. All drugglets.

Hands and Limbs Covered with Blisters and Great Red Blotches. Scratched Until Almost Wild. Burned Like Fire. Sleep Impossible. CUTICURA Remedies Bring Speedy Relief and a Permanent Cure at a Cost of Only \$2.

I was a sufferer for eight years from that most distressing of all diseases, Eczema. I tried some of the best physicians in the

country, but they did me little good. The palms of my hands were covered and would become inflamed; little white blisters at first would appear, then they would peel off, leaving a red, smooth surface which would burn like fire and itch; well, there is no name for it. On the inside of the upper part of both my limbs great red blotches, not unlike hives, would appear, and as soon as I became warm the burning and itching would begin. Night after night I would lie awake all night and scratch and almost go wild. I heard of CUTI-CURA REMEDIES, got them and

gave them a thorough trial, and after a few applications I noticed the redness and inflammation disappear. Before I had used one box there was not a sign of Eczema left. I can truthfully assert that \$2.00 worth of CUTICURA REMEDIES cured me. There has been no sign of its return anywhere upon my body since I wrote you I was cured, nearly four years ago. Hardly a month passes but what I receive a letter or some one calls and wishes to know how I got cured, if I had Eczema bad, and If the cure has been permanent, etc., etc. I always take pleasure in enlightening them the best I can.
